What are We Learning?

Reading– Students will be working on understanding the author's purpose through summarizing and synthesizing.

Writing– On-Demand Writing

Math– Students will working on division and multiplication with fractions.

Social Studies– We will test on the American Revolution and begin discussing the beginning of the American government.

Homework

* Students should be completing their Lexia and Dreambox minutes. Please make sure your child knows that Lexia and Dreambox are not an option. They are required homework and if they do not complete it at home or school during the week, they will miss out on free time to complete their minutes. Lexia, Dreambox, and Reading Plus are great tools to help your child in reading and math. They should be completing their individual required amount of minutes in Lexia weekly. Students should also complete 6-8 lessons weekly in Dreambox.
* Encourage your child to read for a few minutes each night!
* We will continue Dolphin Dive on Friday afternoon. Students who complete **ALL** their weekly homework, completed classwork, and have shown they can follow expectations throughout the entire week will get to spend time with their friends. Students may bring a small snack to enjoy during this time.
